10th March 2026

Attendees: Leo, Ben, Yolandi, Greg, Obinna
Apologies: Lysney

Upcoming Events

- Reviewed upcoming events
- Agreed to import NRSC into the the conference calendar so we can see gaps
- Leo is working on each month to have a set of slides read with new content each month
    - Data quality being the current
    - In 2026 Presentation Folder

Social Media (what's scheduled, what's coming)

- Lynsey has come up with new artwork - 2026 series
- Greg would like to hand off posting in the future, and has indicated this before
- Discussion about sharing this on the team
- Action: Review social media plan Yolandi put together
- Buffer is piece of software which could help for scheduling
    - Yolandi uses this for ZANOG
- Yolandi to chat with Lynsey
- Action: Review social media plan: Social Media Planning 2026.xlsx

Updates on existing projects, new ideas

- Leo has 2-3 blog posts coming

AOB

- Obinna asked about Webnair
- Needs Tarryn input - will take this to OC mailing list
